

HEUTMAKER HUMAN RESOURCE SERVICES

Policies for a happy and productive workforce

Heutmaker Business Advisors can help you to manage one of your most important assets - your team. We can assist with setting up policies and procedures that help to protect both morale and productivity. Heutmaker can create a complete Human Resource framework for your company, including policies within a fixed fee consulting engagement. We also offer ongoing HR support and services at an hourly rate.

To learn more about how Heutmaker's Human Resource Services can help your company maintain good employee relations and ensure compliance with the law, please contact us for a free consultation: 952-715-3071.

Human Resource Services:

- » Develop Employee Handbook
- » Develop stand-alone policies for sexual harassment, PTO and other critical processes
- » Create bonus programs and compensation review procedures
- » Implement employee review processes and procedures
- » Provide standard HR Reporting
- » Provide an HR hotline for employees and managers
- » Administer employee benefit programs and provide renewal assistance
- » Additional general HR services offered on hourly basis
